RECEIVED

I Angela Renée Jones _____ say that I am the plaintiff in the above case entitled by law to file this civil suit due to criminal activity in the listed defendants. The King family are not only criminal, they continue to stalk, steal and real identity thieves in the computer called a Sword (Martin L. King Jr and Wife Coretta King had just received the month before he died). They had received the computerized eye balls and ears and had plans to take me out of mine at 10 years, I had from birth November 26, 1958 Girl. His death is recorded through his own EYES and others in the room to be SUED, Jessie Jackson, Hosea Williams, those gathered at the Lorraine that day. (Andrew Young criminal still). The Kings have illegally moved in the last two years over \$300 million dollars that belong to me, they have used the Sword and banks started with my money to come in and create fraud like they have been wrong, they have not they are only thieves. They have had illegally activity in Wachovia (large property accounts mine, transportation...) Suntrust, Citizen Trust, and others starting new bank in and out of the US. Coretta died in Mexico and she didn't die. They keep putting people to sleep like that, she is recorded telling them it was better for her to do it that way. (Never planned to be exposed).
